Dear Judge Sannes,

The Office of the Attorney General (“OAG”) represents Defendant, Attorney General Letitia James, in the above-captioned case. We write in advance of the oral argument scheduled for this Friday, May 13, 2022 to provide the Court with further, supplemental information concerning the procedural posture of the *People v. In particular, please find attached an order issued today by Justice Engoron in the NY Proceeding, conditionally granting Mr. Trump’s request to purge the finding of contempt upon his satisfaction of certain enumerated acts by May 20, 2022.
